SHARE Cookbook Sale Competition has closed!

Congratulations to Ildica Boyd, Jessica Bazzarelli and Catherine Barrie who won spot prizes – and thanks to Jessica for donating it back to the hall fund!

A huge thanks to everyone who has helped sell cookbooks – since the start of the year we have raised just over \$7,000 in cookbook sales for the school hall, bringing the total funds raised to date for the hall to \$68,866. There is still the potential to raise a further \$30,000 through cookbook sales if you have ideas!

A special thanks to Brenda Satherly for her fantastic organisation of the competition and many related cookbook things!

Fortnightly Friday morning catch-up and second-hand uniform sale! – Friday 23rd June

From 8:45am and after you've dropped the kids off, grab a free hot drink from the Hall kitchen and have a chat and laughs with other school parents and caregivers - a great way to get to know more people and upgrade your kids' uniforms at the same time!

If you have uniform items you wish to sell, please provide these to the office. Items for sale must be clean, and have an envelope attached to each separate item (available at the office).

The envelope must have:

- Your name and contact details - either email or phone number.
- How much you want for the item - if we don't know, we can't sell it on your behalf.
- Gold coin taped on to the envelope- as small non-refundable fee for selling (all proceeds go to the Jubilee Trust [<https://www.stmartins.school.nz/community/st-martins-school-jubilee-trust/>]).

Check out more details (including guidance for pricing) on the S'Mart Community website <https://www.smartcommunity.org.nz/uniform-aroha/>

Where has the money gone?

This year we have supported the purchase of new sports uniforms (\$5,000), 2016 set of World Book Encyclopaedia for the Library (\$1700), Garden to Table activities (\$2000), the St Martins Jubilee Trust (\$1000) as well as \$8,500 for heat pumps installed in the Hall last December. Current fundraising efforts will support the purchase of new technology.
